

Alice L. Levy

February 21, 1930 - February 2, 2022

We said our final goodbyes to Alice L. Levy on Feb 2, 2022 – Alice passed peacefully as she approached 92 this month at the Winter Garden Rehab Facility in Winter Garden, FL. We moved her to FL in 2019 from Syracuse, NY to be with her Daughter Alisa.

Those who knew Alice, took her bad days, good days and everything in between. Those who also knew Alice saw a person with fiery spark, stubbornness, and someone who had her own style. At the age of 91 long years, she was not only a mom but a grandmother & great grandmother. She absolutely loved being around family, especially her daughter – her ashes will be forever with us now. We will miss you Grammer Alice.

Love Alisa (Daughter), Joe (Son In-Law), Jessica (Grand-daughter), Markie (Grand-son), RJ (Great-grandson), Taylor (Great step-granddaughter).
