“ I met Alice shortly after our mother passed..... I felt sure God sent me a replacement mother in Alice...she talked me through how to overcome grief of loosing my mother. She said all the right words to help with grief... learn to cherish memories she said....Mama's never leave their children..... just know Mama Alice will always reside in our hearts.... She touched my life in an amazing way! God always provides what we need at any given moment. She was the angel I needed to get through a really tough time. God bless you Alice.... Thank you for crossing path's with me I will never forget your kindness and love and patience teaching me how to play Mexican train!😂we had a great and memorable time that evening at Pam and Terry's! I feel sure we will cross path's sometime again 🙏 I love you Alice!
