

Alisa Renee Deaton Wright

December 13, 1967 - January 28, 2022

Alisa (Lisa) Renee Deaton Wright, 54, of Orlando, Florida, laid her head peacefully for the final time on January 28, 2022.

She began her journey on this earth on December 13, 1967, by her parents Brenda Jean Brockman and Claude Allen Deaton, as the first generation born in the USA, originally immigrated from Ireland. She walked her path with her two protectors and brothers Robert Allen Deaton and Duke Conlan Deaton, hand in hand.

Lisa graduated from Edgewater High School, where she then began her next chapter in life with the love of her life, Anthony (Tony) Ashley Wright.

She went on to build a career in Administration for the construction industry, and welcome two children into this world, Ashley Rose Rapp and Anthony Jameson Wright.

Lisa lived a life that anyone would be proud of. Her journey allowed her to be the most amazing daughter, wife, sister, mother, grandmother and many others. Lisa was a giver, and never a taker. Her joy came from being other's backbone, and striving to ensure her family/friends were taken care of in every way.

Lisa has now been reunited with her father, Claude Allen Deaton, step-father, David Ken Larrick, her sister-in-law, Leigh McKinnon Deaton, and her uncle, Herbert Brockman.

Her story and love will continue to live on this earth through her survivors; mother, Brenda Jean Brockman, husband, Anthony Ashley Wright, daughter, Ashley Rose Rapp (spouse Kathryn Dee Rapp), son, Anthony Jameson Wright, brothers, Robert Allen Deaton and Duke Conlan Deaton, nephew, Randall Allen Deaton, and granddaughters, Gracelynn Dee and Paisley Rose Rapp.

All who knew Lisa will forever cherish the short time that we had with her. She touched everyone she met in an indescribable way, that will forever be a part in our lives and will be irreplaceable.

We all now will forever hold in our hearts that she is no longer in any pain, and she is now with each and every one of us and in our hearts, until we can see her again.

“ I went to Edgewater High School with Lisa. Class of '86. She was such a great person -always a smile on her face. I ran into her a couple of years ago in Chipotle. After all these years.. she came up to me and my daughter with that same smile and said hello. She was so happy! I wish I had stayed in touch more. I pray that she is at peace and her family finds comfort and healing.
