

Allan J Hines

January 1, 1949 - October 9, 2016

Seasoned cruiser, champion poker -player, sales guru and family man, Allan J. Hines, passed peacefully Sunday, October 9, 2016. Allan was a family man above all else. He proved himself to be a loyal and loving husband, dedicated father, devoted brother and fierce friend. His granddaughters were the light of his life and they always looked forward to watching cartoons with their “Papa”. Allan’s distinguished career in copier sales started like all other great things, completely unexpected and out of the blue. He stayed with Richo, formally known as Lanier Worldwide, for 30+ years. As he grew within the company, his title grew with him. In management he was given the resources to help his colleagues and those around him in the business world.

For all those who knew Allan, they knew his love of card games and his “poker-face” was without compare. He would spend much of his free time playing in the poker-rooms of Daytona with his friends. The crown jewel of his poker career was his victory over Chris Bryan Moneymaker, a man who is credited in revolutionizing the game.

If anyone could turn cruising into a hobby, it would be Al. In the middle of the Caribbean Sea, Allan found the peace to quiet his busy life and create wonderful moments with his family.

Allan Jeter Hines was survived by his wife, Phyllis; his daughter, Mary; and granddaughters, Alice and Lily; and siblings Emmett “Buzz” Hines and Barbra Britton.

There will be a Celebration of Life on October 22, 2016.

“ *Just heard that Al had passed...*

I learned so much from him while I worked under him as a manager.

He taught me so much, how to deal with challenges, how to act decisively, how to carry myself, how to motivate and develop people. When dealing with an issue, he taught me to be completely transparent and error on the side of what was right and just....

I think of Al all the time and the impact he had on me was tremendous because those lessons he taught me come in handy nearly everyday.

You will be missed...

“ With tears in my eyes and a smile on my face I will always remember Al. He took a chance on hiring me back in 2002 when there still weren't very many women in sales at Lanier or in "copiers" for that matter. I owe my career at Lanier/Ricoh to him. My favorite quote that he used to say to me is "if you want a pay raise you are only one pay check away....go sell something". For those that remember the old Lanier office, our days did not start without a 7:30AM pep talk/meeting with Al. It always ended with Al kicking the podium and telling us all to go sell something. Afternoons were wrapped up with round after round of office golf. I have so many fond memories of him over the 9 plus years I worked for him. Too many to list. He will never be forgotten. He has a special place in my heart.
