Dear sweet Allen you were like a son to me. You loved me and dad and you showed it all the time. We miss you more every day. You honor you for the love you had for my daughter and for being here for Jason. This world has lost a special. God has you now and I know he'll watch over you. Give my daughter Lisa a big hug and kiss from us.

“ I remember about three weeks before we lost Allen, he and I were at the pool hall playing pool and he wanted me to come back to the Job so badly and I told him I wasn't sure I wanted to. Then he made mention that I was just like another son to him and it hit a spot in my heart. I miss him and can never forget how good of a friend he was to me. He is one of the few people my wife trusted me to hang out with. She knew Allen could keep me straight and not act like a fool in public. Allen, you will always be in our hearts and thoughts... never forgotten!
