“ over the last 30 years I have made random attempts to find you. Today I think I found you. I finally googled the name of your sister and all your families names came up. I knew I hit the nail on the head. We knew each other in Naples, Italy. If anyone would get in touch I would appreciate it.

Thanks,
Therese Bieber (Popchak)

“ You will always be in my heart. I hear your voice in the wind, I see your smile in every sunrise. You were such an inspiration to me. You lived out so many dreams. I am so blessed to have been a part of your journey. Heaven holds a very talented angel now. Love you always
