“ *Davis Reed - Friend posted a condolence I still can't believe your gone bro. Scrollin through these obituaries and everyone was born in the 20's, 30's, and 40's. It was too early, and you had a lot more to give to this world bro. We will all miss you.*

“ Deborah Bolio - mother of Rob and Brendan posted a condolence We are still in disbelief. Andre has been a part of this family for many years. He had a personality and smile that would win anyone over. There were proms, hanging at the house and business ventures with Rob. My heart aches with sadness. To Mr. and Mrs. Ristorcelli know that Andre was loved by many and his memory will live on with great pictures and wonderful stories. He is at peace with many of our loved ones and we will be together again someday. Our love and deepest sympathy to you both and your family. Faith in God will help you find some peace.
