

## Andrew Barry Aldred

August 6, 1985 - January 21, 2020

Andrew Barry Aldred, 34, of Orlando, Florida passed away January 21, 2020. He was born August 6, 1985 in Orlando, FL to Barry Ivor Aldred and RoseMarie (Lombardo) Aldred.

Andrew was a native of Orlando, born and raised in Central Florida. Andrew had many friends and family that loved him and deeply cared for him. He lit up a room when he walked in. Andrew attended Bishop Moore High School and graduated from West Orange High School. Andrew attended Valencia Community College and graduated with an A.S. degree. He also attended Pfeiffer University with a scholarship playing Lacrosse and the University of Central Florida. His major was statistics with a minor in Finance. Andrew was fluent in French and took up such a love of the language because of a very special teacher at West Orange High School. His French skills served him well in the hospitality industry.

Andrew excelled in academics and sports. He ran Cross Country, Track & Field, Soccer, and Lacrosse.

Andrew left this earth too soon because of a substance abuse addiction. He fought his disease of addiction for many years, but sadly, as often is the case, the disease took over and ended his beautiful life at a very young age. Addiction doesn't just affect the person suffering with the disease, it touched

all of our lives who knew and loved Andrew in many ways, but mostly left us with broken hearts and much sadness in every way possible. His daughter Adalynn and soon to be daughter, Audrey, will never know what a wonderful person their daddy was, and his Fiance' Megan and other family members will never see him be the successful productive human being, with the big heart, realize his dreams of working in Logistics as he so loved doing. He will be sadly missed, but we will find comfort in knowing that he will no longer suffer on this earth because of this insidious disease.

Andrew is survived by his beautiful daughter Adalynn, who loved her daddy very much, and use to skip daycare for Addy daddy days to spend at the waterpark. He is also survived by his beautiful Fiance' Megan, future daughter, Audrey, his mother RoseMarie (stepfather Robert), father Barry, sister Victoria, Paternal Grandmother Brenda Aldred and many aunts, uncles, and cousins here in the United States and England, as well as, numerous friends.

A funeral mass will held at St. James Cathedral Chapel on January 30th at 10:00 a.m. with a reception to follow. In lieu of flowers please consider making a donation to the family on behalf of Adalynn and Audrey.

A Funeral Mass will be held January 30th at 10:00 AM (EST)  
Saint James Catholic Cathedral Chapel  
215 N. Orange Ave.  
Orlando, FL 32801

Parking is available at the Jefferson Street Parking Garage, located at 62 W Jefferson St, Orlando, FL 32801. Visitors must take a ticket to enter the garage, and after the funeral mass/reception, present the ticket the receptionist at the front office for validation. A stamp will allow you to exit the garage free of charge. There is also metered street parking available around the Cathedral.

“ Andrew. You were a hell of a teammate and an even better friend. I'm sorry that we didn't get to see each other in these past ten years but i never forgot you or your electric spirit - you were such a dynamic guy. I'll never forget riding to and from games with you and seeing you learn and grow on the pitch and seeing the look on your face when your hard work paid off. I'll miss you brotha - condolences to your family. Rest In Peace old friend.

“ I don't even know where to start...I am still in shock! My fondest memories of my Nephew Andrew were as a young teenager and into his High School years. He was such a vibrant, intelligent, athletic young man with an energy and confidence that were contagious. He had that ability to just draw others in, I imagine that hadn't changed as an adult. We spent a lot of time talking about his future and what he wanted to do, I believe he was only bound by his own mind and what he believed was possible. I feel blessed to have had the opportunity to be in his life the years I was, seeing him run Cross Country, play Lacrosse and develop into a young adult. We've had occasional Facebook messages back and forth over the past several years, far less than we should have I regret to say. I have also thought of him as my Nephew and love him very much, the world lost a great soul with unlimited potential. Dear God accept Andrew into your kingdom, look after him and watch over his family and friends...till we meet again Nephew, Love You Always!
