“ Lil Andrew, what I'm going to remember most of u is when we were Jits staying at Nana's house how fast we considered each other family. When I was messing up when I was younger n u worried about me. How u always had my back n how when u were young & small for your age, u had heart. Even though the last few yrs we didn't chill n stuff I still loved u like a lil bro. The conversations we had every once in awhile me trying to give u some wisdom. Maybe now u can send me messages of wisdom from up above. I love u L.A. \$. Rest Easy. Watch over all of us. Oh also when u n I got into that lil scuffle at Nana's when it was done we shook hands n hugged n told each that I was still your sister n that u were still my lil bro. I ❤️ U 💔

To my niece karen and brother Vinny and the rest of the family, I am so sorry for your loss, this is a loss that no parent or family should have to go thru at such a young age. I love you all!!
