“ I have some great memories of Uncle Andy! I loved it when he and Lois would come for a visit. I remember playing cards and trying to figure out the secret to his magic tricks. Most of all, I remember lots of laughs and smiles! Heaven just got a little bit happier. :)

Aunt Lois, I'm sending you all the love and hugs I possibly can! So sorry for your loss.

“ Rest in peace Andy, I will never forget the times as a young kid that my dad David brought to visit you when you were at the fire house, I always enjoyed that ,

“ *Uncle Andy was a great person and we will miss him. He had a big personality and it was fun to listen to his stories.*

Our love goes out to your family. Give a big hug to Aunt Lois and all her girls. She is a sweet lady.

I'm sure Uncle Andy is now telling stories to the Angeles. We will never forget him.

Much love from the Chosy family. <http://storage.lifetributes.com/Candles/new/candle-1.png>
