“ I didn't know you outside of the tree quote game but I just wanted to say farewell man. I called for another quote and your wife told me the news. It got me thinking a bit about how I should take it easier. I remember a couple times rushing this or that and you always came through. Thank you for that dude. I'll try to find a way to throw some side cheese from next springs jobs to your family. I o u 1. 🐼

I miss you bro, wish you could just drop me off at the skating rink one more time like you did when i was in junior high Or try to bump start your 125 Enduro down Greentree Blvd. Or catch the soccer game between Molly Hatchet and Rainbow. Heck id even take just having you tell me what to do working a job with you again.

“ You were there for us Angelo when Sheree's father passed and again you were there for us when Russ recently passed. I am there for you. We go back over 40 years; a lifetime, the good and the bad in the old Winter Park stompin grounds and beyond. Road trips to Daytona, Georgia, Tennessee, we made our rounds. I am so grateful that we recently reconnected and spent some time together and again with each others family on July 4th. I will miss you my friend. Rest now in the arms of our Lord, Yeshua Ha-Mashiach, your woes and earthly tribulations complete.
Love and peace for you and your family, Rocky and Sheree

“ I dont personally have a memory. But I have followed Kerry on Facebook. She is the mother of my beautiful niece Alyssa. This saddens me so much for Kerry and all who were close to him. I could tell he made them all happy. I'm so very sorry for your loss. Gone way too early. 😞

Thank you Russ, I remember first time I met you Angelo had a swimsuit made for me by you and your label that was like 1994, I know your heart is hurting as I am. There are no words. Love you and thank you for your support, it is very much appreciated. Always Kerry
