“ Aunt Ann was always the life of the party  
I can remember going and help one weekend  
making Kettle Corn and how she just drew the  
people in.  
And she would always bring Kettle Corn when  
she would come up to visit  
We will miss you  
and always love you  
RIP

“ Aunt Ann definitely never met a stranger. I definitely cherished the  
time spent with her, long nights staying up to talk. Her love of  
Disney and giving guided tours. Opening her home anytime  
someone wanted to visit. Rest in peace.

“ Aunt Ann always opened her home and enjoyed having me and my friends for spring break. She was so much fun to be around that going to the beach was secondary to partying with her and Stan on the tug boat. The stories will live on in mine and my buddies retelling. We have lost a wonderful person who will not be forgotten.

“ To All of Ann’s Family my deepest sympathies are coming deeply from my heart!❤️ Ann was truly one of my Best Friends & like a 2cnd Mom to me! We have shared so many Special times / memories together. One of which I recently was talking to my family about. We went Camping together @ Camp Wilderness in Kississimmee & had such a blast that weekend! We shared many many memories on her 1st boat together w/Stabley & always enjoyed the Boxing Events on HBO! We shared time up & down the St. John’s & the wonderful times together @ sleepovers! She was my next door neighbor in Mayfair Meadows; & instantly hit it off! Brian was living there when she was there! Akso had such special times when she visited while I was in NY. She always enjoyed my parents, my my sisters & brothers families! She was part of my family since I met her in the early 90’s! There will not ever be a time I will ever forget our special times together & the awesome memories we made together! I pray now she is @ Peace w/her loved ones, eternally & we will meet once again in heaven! 🌸
