“ *it is so hard to imagine a world without dear, sweet, gentle, kind and LOVING Ann Marie not in it. We had the pleasure of getting to know this special lady on a few occasions when she came to our assisted living homes for short-term respite care.*

The caregivers and residents thought very highly of her. Ann Marie always wanted to help. She was a friend to everyone she met.

We all have many delightful memories that we will always cherish.

I truly believe she has her angel wings!

With our deepest sympathy,

Jane and all the staff at Sutton Homes

“ I affectionately called my Aunt Ann, Auntie Ain all my life. Auntie Ain had a powerful influence on me. I always felt her there in the background rooting me on. I might not have stayed the distance in nursing school if she had not always encouraged me to go all the way. I will continue to feel her in the background encouraging me when conflicts arise and she will influence me when there are forks in the road.

St. John of the Cross wrote, "In the evening of your life you will be judged and how you have lived and loved " and WOW how she loved She loved family, she loved life, she loved people, and she loved me and my children. Jesus says love one another as have loved you. She fulfilled Jesus command very well. I feel so blessed that she was one of the best parts of my life. She enriched our entire family and her spirit will live on in my heart and will always feel her presence right behind me.

Your loving niece,
Bonnie.
