“ *Polly Kimball - designed needlepoint for my beloved aunt posted a condolence I noticed Ann's obituary in the paper - her name I remembered from year's ago when my aunt, Ollie Snyder, would go to Ann's shop and purchase needlepoint, etc. from Ann. Ann also designed the needlepoint for an antique platform rocker I still have in my possession - which my aunt and I worked the needlepoint from Ann's design on the materials. I remember Ann as a very pleasant, lovely lady and I remember her very fondly from her shop - believe it was on 9th Street North. My condolences to her family and friends. Polly Kimball*
