“ *John, Betsy and Julie: Into the light of the Lord walked your momto meet Jack, her beloved husband of 62 years. She was a wonderful, loving and caring woman who left a great family legacy of honesty and integrity. She lived a long and honorable life and is now at peace for all eternity looking down from above with Jack by her side. I called her "mom" when I would see her at church. She would always have a big smile for me. I will miss "mom" allot. My prayers are with your families. Bob Gorman*

“ *To the Cromwell Family...Billy and I were just talking about getting stranded at your house during the Blizzard of '77. Your mom welcomed us with open arms. Mom and Dad had some very wonderful times at your home on Howell Parkway. We are struggling now with Dad's health as he is in the VA Hospital in Batavia so we know a bit of what you are going through. Thanks for all the great memories!!!! Love to you all! Robin (Large)*

“ Dear John, Betsy, & Julie,
Your Dad & Mom have been so much a part of our lives , especially Ron's . I remember meeting your mom the first time just after Ron and I became engaged. She made me feel so at ease and comfortable around her. She was so lively and so much fun!! I used to sit around and watch Ron play poker with your Mom and the rest of the gang. He so enjoyed those times!! We were so glad we got the chance to see your mom a couple times after she and your dad moved to Florida. The last trip was especially memorable as it was just a few years before your dad and Mom passed away! Our thoughts and prayers are with all of you through this difficult time .
God Bless you!

“ Dear John, Betsy and Julie: Your mother has been a part of my families life for well over 40 years. Anna is an extraordinary part of many wonderful memories we have of living on Howell Parkway in Medina all the way through to celebrating your mom's 90th birthday in February. She was an amazing woman and we are richer for having known her. Blessings to you and your entire family. Karen Schmitt Roberts West Palm Beach FL

“ When I first moved to Medina, NY, your Mom knocked on my door one afternoon and said she wanted to meet the mother of the new girl in her daughter's class. We became great friends....playing bridge, shopping in Buffalo and Rochester, sewing, etc. Even though each of us had moved away from Medina, we remained in touch. My deepest sympathy to you all.
