“ So many fond memories growing up with Margit, she treated me like a daughter and I was lucky to have her raise me. There are so many fine qualities she taught me, be a strong independent woman, take care of what belongs to you, be kind to others, be truthful, and don't take shit off of no one. Even though our paths occasionally crossed these last 30 years each visit felt like I was home again.

Always loved and forever we will be family.
