“ Carol and Cindy. You both did an excellent job making sure your Mother was not alone or forgotten when she took Gods hand. She was a special lady to have you as her daughters. The journey without her will be a lonely one and sad at times but remember she is watching over you and she would not want to see you so saadened. She is now with the best person ever and catching up with some friends and family she once knew. I pray your Family gets thru the passing of your Mother with abundance of love thru the memories of her life.

Love You.

“ *I would like to express my sincere condolences for the passing of your love one. I hope you will find comfort in Jesus' words: "The hour is coming when all those who are in the memorial tombs will hear his voice and come out". (John 5:28,29) Just imagine the joy of being reunited with your loved one.
I'm sorry to hear about Anna. In God's promised new world, tears will be replaced with joy when she and others are welcomed back to life. For now, she is safe and secure in God's memory until she "wakes" up again. Matthew 9:24,25.*
