

Anne Vance Archer

February 8, 1939 - April 3, 2020

Anne Archer, 81, departed this life on April 3, 2020. She died peacefully in the home she shared with her daughter Holly in Hendersonville, North Carolina.

Anne cared very much for her family and friends. As a child it was her dream to have a large family and she was blessed with ten children. She was preceded in death by her parents Rita and Morris Williams (2001), by her husband, Ronald Archer (2012), and by her son Stephen Archer (1967). She is survived by her daughter Brenda (Jerry), son Tim (Joy), daughter Amy (Jeff), daughter Melanie (Jim), daughter Holly, son David (Lisa), son Dan (Pascale), son Rob and daughter Mary (Doug). She was also blessed with 21 grandchildren and 5 great grandchildren.

Anne spent much of her childhood living in different parts of the world. Her father was in the military and they moved around quite a lot, so Anne went to 28 schools between Kindergarten and her graduation.

Her favorite holiday was Thanksgiving because that was the time most, if not all, of the children would bring their families for a few days to gather, reconnect and feast. The family was blessed this past Thanksgiving to spend it around Anne in North Carolina.

A private funeral Mass will be held at Annunciation Catholic Church on

Tuesday, April 14th. Because of the current health risks only limited family will be allowed to attend. In lieu of flowers please send donations to Annunciation Catholic Church, 1020 Montgomery Rd, Altamonte Springs, FL 32714.

The Family of Anne Vance Archer invites you to leave a message of condolence on her Tribute Wall.

“ Anne and I joined the New Journey's widow group at the same time in 2012. The photo is from one of our Christmas parties. Anne is in the front row on the right. I always felt that Anne would have made a wonderful Nun. She was a very special lady! She is now one of God's angels!

“ It may have been 6 years ago when I first met Anne after the 10AM Mass. This lady came up to me and said..".I'm aware that you go to Panera after Mass with others and would like to join you." That was the beginning of spending many a Sunday mornings with this very interesting, spiritual, and special lady that I called my friend.

In December, when she was Blessed to come and visit her Annunciation friends...I was so happy to be able to pick her up at the airport and have her come to my home for lunch. Anthony (my husband) and I were able to visit with her and catch up on her life's happenings...it was so good to see her! Of course our Sunday Panera friends gathered for breakfast during her stay

Anthony and I will miss Anne and many also whose lives she touched.

Our Sincerest Condolences to her children and family. May you be comforted by God's Love knowing that He welcomed your Mom into His Kingdom with opens saying "Welcome my good and faithful servant...you fought the good fight, have finished the race, and kept the faith."

“ Anne was the sweetest kindest lady, she lit up our lives when we rarely got to visit. She always called to see how we were getting along (my husband has the same condition Ron had) offering prayers for us. I will miss her tremendously but know she is an angel in heaven now!!!

“ I met Anne at our mutual friend Vivian Grennon's house she made a lasting impression on me since she was in Munich Germany when her dad was stationed at the Warner Kaserne. We had many conversations about that and Church. She also ghave me a recipe for Lebkuchen which I treasure. My dear Anne, you and Viv save a place for me. You will be missed here. Love your friend always

“ Anne will be remembered by her friends for her unconditional faith and love. Her sewing skills were exceptional and I loved her homemade jam she made for our Parish Festival. Personally I will always remember our discussions about life and God. She was an inspiration to me, and she'll live on in my heart forever. Of course, church was very important to Anne, and she never wanted to arrive late. So, on a Holy Day night time service, she stopped for gas and was concerned about the time. She pulled out of the station quickly - pump still in the car tank!! Someone stopped her and pointed it out, and in an effort to be on time, she threw the pump handle into the trunk. After mass we all had a good laugh, and save her the embarrassment of returning it, a “volunteer” brought it back and said a little, old Sister accidentally broke it on her way to mass. Love and sympathy to her beautiful family. May Anne RIP in the arms of our Lord. She is so deserving. Norma Rossi, a Circle Sister from Annunciation.

I too, looked forward to sharing a few words with Ann after meeting her at Annunciation, 12:15 daily Mass. Being a nurse from years past, we talked of her treatments with her health issues. She knew God was with her each day and shared her joy for life.

Anne was a member of our Widows Group for several years and will be dearly missed. We had laughs and stories to tell when gathering at Habanero's, second Thursday dinners and Christmas dinners.

Our sincerest sympathy to her family. As time goes on the pain does subside, as the fond memories seem to lighten the burden. You will always have her in your heart.
