“ I met Anne in 1980 and she worked for me or with me for almost 20 years. She was the spunkiest, spiciest woman I ever met. One I did NOT want to tangle with! She was also one of the most responsible, hard working women I've met. I will never forget her bounding with energy or letting out one of her joyful, throaty laughs and I will always admire her courage and conviction to live life on her own terms. She was a mother hen to Kelly and Kirt and lots of others. A unique lady - I'm sorry she left so soon and so suddenly.

Best to all her family and friends. And cheers to Anne.

“ Anne became my adopted aunt after moving to Altamonte Springs in 1995.

*She offered clear advice on career, homes, and women!
Pointing out on how to best use gold, black and taupe in my home.
Showing me the best way to prepare London Broil, Prime Rib,
Oyster Dressing, and the perfect Lobster.*

Your laughter and spice for life will be missed tremendously.

God Bless your family.

May you rest in peace.

P.S.

I know you and your mama are sharing a cocktail and a smoke together, tell her I said hey.

“ Anne was my neighbor 33 years; she passed away 3 years and 3 months after my beloved Bruce; she was a wonderful neighbor and watched over our little nest of homes, she helped me when I needed advice about who the "BEST" was for me to contact for different work around my home. I am so very sorry Kelly and Kirt as I know how much your mother meant to you. We had many laughs together and I will never forget her and I will miss her very much. Be at peace my friend.....
