“ *Annette was a wonderful person. She had a great smile and was loved by many. She was a great sister in law and will be missed. I know she is with Angels and shining upon us. She will be missed and hope that one day I will see her and all that have left this earth. They say that we should not morn but rejoice for she will begin eternal life with God. God bless you Annette, and may The Lord bless our life's.* ”
