“ *Anthony,  
I remember your family so well when you lived in Weirton. My family lived next door and then you moved across the alley. Thought your parents were always so nice. Sorry for your loss and God Bless.

“ *Dear A.J., Karen, and family... It's hard to find the words to let you know how much Tony and Helen meant to us. Never just our next door neighbors, they were and always will be our family. We will remember the grace and love with which they lived their lives and the goodness they bestowed upon those they touched. Most of all we will remember how very much they adored their family and how fortunate we are to have shared the years with such dear friends. With love, Jim, Claudia, Gina, and Thomas*
