“ *Tony was a very dear friend to me and my family. He helped me get through some of the most difficult times in my life. I will always be grateful to him for that. I have so many wonderful memories of him. My favorite would have to be when he drove my family to Texas. Now that was some trip! Even though things didn't go as smoothly as we had hoped, we all still managed to have a wonderful time. There are so many things that I will miss about him. I will miss his boisterous and infectious laugh but most of all I will miss how he could see the good in everyone he met. Rest easy my dear friend.*

“ *Tony always was a great guy, even when he was young. He protected those around him and looked after his siblings. As a neighbor and friend growing up, Tony was like a big brother to all the kids around and he would tell us when we were out of line and yell at us if we were too loud late at night. RIP Tony...*
