“ *I learned of Tony's passing a day after the funeral and apologize for missing it. I am a member of Probus, the Italian American club where Tony was one of the founders. He was always spirited, refreshingly honest with his opinions, and wonderful to spend time with. He will be greatly missed.*

“ *Nino was a shining star who brought joy and happiness to all he spent time with. He was a perfect combination of strength, humor and love that all of his family and friends will miss desperately. I know all of us will make sure that Marietta is wrapped in love and that we support her now and forever. All our love - Elaine and Ron.*

“ Tony was a faithful man and I'm certain that the Lord is accepting him with great Joy. I remember the day in mid 1973 when I met Tony with Jerry Scislano by the SE Bank. He introduced me to SERTOMA and from there our friendship grew and meeting and spending time with Tony and Marietta (a great example of a Catholic couple) is in the highlight reel of my life. RIP brother Tony.

“ *My deepest condolences to the family. Because of Tony, I have a wonderful business bringing travel to people who are so grateful for the service TPI provides. While I never had the joy of meeting in person, without Tony there would be no Shift in Spirit Travel
