

## Anthony S. Invino

October 22, 2020

Kenny (Messick) and I (Charlene Invino) lost our dear Tony on October 22, 2020. We are grateful to have had more than 40 years together. Tony was fiercely loved and we grieve at his passing. He was capable of intense loyalty and treasured his family and friends. Our lives going forward will forever be changed. We love you and miss you, Tony.
