“ I worked with Anthony for 5 years as his admin before I retired. We talked, laughed and shared ideas and thoughts. At times he would even help critique my photographs. Anthony was a good man. He will be missed my many, most especially his family whom he spoke of so frequently. Such a tragedy to lose someone so young. Rest in peace Anthony. Barbara Turner

“ *Anthony was a super SUPER dude. Consummate professional. Truly a great guy that will truly be missed. I know how dedicated he was to his family so I am sure he is missed. Please focus on the good as I am sure there are plenty of memories from the dog in the little apartment in Boston to the softball championships.*

Anthony was quite the jenga player and I will never forget our epic battle. Until we meet again my friend.
