

## Anthony "Tony" Vincent Crouthamel

June 20, 1962 - March 21, 2024

It is with heavy heart that we announce the passing of Anthony Vincent Crouthamel of Lake Mary, Florida on March 21, 2024. Born on June 20, 1962 in Harrisburg, PA to the late Robert and Margaret (Leo) Crouthamel.

Tony is survived by his two sons Ryan Anthony Crouthamel and Austin Robert Crouthamel (fiancée Jayce Alisabeth Stone) of Florida; sisters Roxane Marie Schellenberger of Harrisburg, PA and Julie Ann Thomas (husband George) of Bel Air, MD; nephews and niece Cory Schellenberger, Megan and Shawn Thomas; and great nephews, Journey and Oliver Schellenberger.

Tony enjoyed a successful 30 year career in medical sales by working his way from Medical Technician to Regional Vice President. His dedication and knowledge earned him the respect from colleagues and clients.

Tony was always on the go but made time to have fun and relax. He thrived on making other people laugh and have a great time no matter where they gathered together. Fishing was a quiet time whether it was at a small pond in Florida, a large lake in Wisconsin or the ocean in Charleston. Tony loved going to yard sales, watching movies and working in his yard. Every Saturday in the Fall you would find him in front of the TV watching Notre Dame football.

There are no words to describe how amazing Tony was as a father and the

love we had for him. No matter the time or day he was always there for us without question. His willingness to help us both and guide us through life will forever be cherished. It can't go without saying his humor brightened ours and everyone's life around him. We will go on every day to make him proud and continue his legacy of kindness and love for others.

Tony, our brother, was our everything. He was the bright light that shined in our lives to give us happiness, laughter, love and strength. His smile was a treasure all on its own and his tender heart was there for us whenever we needed it.

Tony's vibrant smile and gentle spirit lit up every room he entered, making all who knew him feel loved.

Tony leaves behind a legacy of love, laughter and making people happy.

“ I haven't spoken to Tony in years. We worked together at Huntleigh - he was my manager. The greatest manager, mentor and friend I could ever have. New jobs saw us speaking less and less over the years and finally it became years between talks. I just got back on LinkedIn and was hoping to reconnect. I couldn't get ahold of him so I did a google search - I wish I never did. It's been a long time since I've cried. If anybody comes across this post, please message me and let me know how he passed.

“ I was stunned to hear of Tony's passing. I had the pleasure of working with Tony at Gaymar and will forever remember his amazing sense of humor and the many, many laughs we shared. He is one of a small handful of people who I could laugh that way with. Tony spent time in New Smyrna Beach with my family and there are stories that will live in my memory forever. I'm so sorry for this huge loss and will keep his entire family in my prayers. This was a good, no great man taken way too soon. My sincere condolences.

“ Tony, my dear friend, not a day goes by that I do not think of you, smile from ear to ear & grab my heart in disbelief that you are gone. I keep waiting to get a hilarious story via text/call back from you & then I remember you are up in Heaven making all the angels double over in laughter! You were such a dear friend, my mentor, my therapist (most days) & I miss you so much! He called me “C-Mac Attack” & I made up a nickname for him of “T-Crouth”.. we would make up nicknames for just about everyone & just die laughing at who could come up with the most wittiest one! I worked with Tony for about 5 years but we just “got each other” from day one! We could talk for hours about life’s struggles & good times! He loved his boys & his family so much & just cherished time with you all (felt like I knew you all even though I didn’t meet many of you) Even in a tragic situation, Tony knew what he was doing & think he would be proud of the connections he had a part of! Tony never knew a stranger & always had a way to make you feel seen, heard & special! Sometimes he would say “land the plane Tony” when deep into a story & his humor & life lessons make me a better human! Cannot say enough how amazing you were to me & my husband... we even spent part of our honeymoon visiting Tony in Florida! Sometimes a true connection with another person happens & you hold on to it forever ... you will always be the voice of reason & my little voice in my head saying “you can do it girl!” These pics are only a very few because he didn’t like his picture taken much but I am so glad I got these precious photos to look back on & remember all the giggles & work functions & just his sparkling smile! Give em a good chuckle up in Heaven buddy & save me a seat right next to you at the bar! 🥺🙏🏻 I know you are looking down at me & laughing with me, to this day! ☐☐☐☐☐☐

“ So as I’m sitting here in my favorite spot that I used to call Tony, outside by the my pool, pondering all the different stories that I could share about Tony . I’ve been reading the comments about how funny he was and how he was one of a kind, and they are all very true. There is not any particular story that I want to share, because there are several, and I could write a book about them all. But I do wanna share something with you about the kind of man he was to me. He was more than just a friend. He felt like a brother to me. We be on the phone for hours, just talking about life, talking about his kids, work, family and pretty much everything that you can think of . We all knew how Tony would own a room, but I knew him as more than just that guy, I knew him as a great father, caregiver and just overall great guy. I will dearly miss him. My condolences to all the family and just want you to know that I’m always here for you guys. Love Kevin and Family.

“ *Dear Ryan and Austin,  
Honestly there are no words for how heartbroken we all are. Tony was a very special person. A great man and a wonderful father. We loved him and we will miss his sense of humor and wittiness that always surrounded him wherever he was. He would light up the room. "The roof, the roof is on fire" 🧯. So many laughs... until we see you again in Heaven for I know that Heaven has indeed welcomed an angel to watch over you boys. Love you, Uncle Larry, Aunt Dida, Jessica and Kristina*

*To Austin and Ryan, Tony was actually Harold's RegionsManager in Florida for Gaymar. But he was much more than that. That was how he came into Our lives. He was a father who adored his boys and would do anything for them. He was a devoted friend and father. We loved and adored Tony. He fought many battles and always put his boys first. He truly lit up your room and your heart when he walked in we will always love you Tony. You were the best and the brightest. Rest in peace.*
