Christopher is continuing to do his best to make you proud... it's been rough for him especially loosing uncle Pete & uncle Bobby but he takes comfort in knowing that all of you are together again. “ Gwen Bisch - Sister posted a condolence This life will be so empty without you. All the fun and shopping trips and activities and all the things we could look forward to as sisters will be missed. You were always there for me to share all my secrets, my thoughts and all the things that sisters share and no one can fill that spot. Rest in God's holy presence. Love you forever, your sister Gwen.

We shared a million moments of joy and more hugs than I can count. You will always be missed and thought of every day. Thank you for being such an amazing second mother to me. I carry you in my heart and love you so much.
