“ *Laura Wallace - Extended family of granddaughters posted a condolence My thoughts and prayers are with you, the Mullins family. Keep the good memories in your hearts always. Although I never had a chance to meet Kristy and Kelly's grandmother, I know that they loved her very much. She must have been very special and very proud to have Kristy and Kelly as granddaughters. And I must not forget Isiah either. She must be very proud of her great grandson. She will live on in your hearts and will always walk beside you.*

“ *Trula Muir - Niece posted a condolence Goodbye Auntie Arbutus! I remember lots of fun times at your home growing up. As a child I never knew where the 'Aunt' part ended and your name began. You loved to buy dresses for Barb and I and oh how I loved those dresses! I know you had a wonderful welcome home party in heaven and hope to meet you there again someday. Love and prayers to all the sad hearts missing you. Trula*

“ *Brenda Mendenhall - Niece posted a condolence I will miss my Aunt Arbutus with all of my heart. Many say that I take after her animated character but, most importantly was her inner character and how much she loved the Lord Jesus and looked forward to going home to see him. She sang "How I have a friend in Jesus" to me and I can still hear her voice. How I will miss you until we meet again in heaven! Love & Prayers to Uncle Elster, Doug & Wyndal! Love, Brenda Mendenhall*
