“ My last visit with Angel was September 28, 2023. We met at Discovery cove Hilton and shared a room for 3 days. Also staying at the Hilton was Jackie (my sister) Jackie's daughters Keri ,Kelly, and son in law Joshua. Also Jackie's grandkids Mikayla,Sadie,Lily and Addie. Angel wanted to be with family and since traveling was difficult for her, we came to Florida and made it a family vacation. We enjoyed having lunch by the pool and for desert ROMANCE COOKIES. We had a Great visit and I'm so happy we all got to spend this special time together. I love you Angel, I will miss you dearly and all our phone calls.
