“ Ashley, you were born 10 years later than me, I was your first cousin. I have fond memories of tending to you at our family reunions on occasion when your dad and my mom (bro and sis) were hanging with the rest of the adults. You loved going thru all my old toys when ya'll visited our house, and always made a big mess with them! but it was never a big deal. Through the years I wished we had been closer. If we'd been closer to the same age, I'm certain we would have been buds.  
Glad to know you are at peace, safe and protected. God Bless You and rest in peace.
