“ Hi momma, I guess you see that I messed up so much. I didn't know how much I needed you. I have no one that understands me or Britt the way you did. I'm scared and im so lost. I feel like I have disappoynted you so much. I'm so sorry, I always wanted to make you proud of me. I have lost almost everything trusting Brittany. I know she don't mean to hurt me, but it is what it is, and now I see how much I hurt you. I wish I could be half the mom you are. I feel like im a failure everyday. Bubba says he loves me sooo much, and I know he does, Mikhayla don't even like who i am anymore .Alyssah wow mom shes so smart, and sweet. Britt tries so hard, but don't understand so much and I try to tell her but she don't listen to me. I know she would have listened to you. I miss you mommy, more and more everyday. I do feel like im living in another world right now, because your not with me. RIP mommy I love you.

I was so scared last night i thought Brittany was gonna have the baby, im sure you know she didn't, but i didn't have you to call. C.J helped me, but she couldn't take that fear away, like i know you could have at least eased. I feel the pains in my heart and a second later your in my mind, and tears come and i cant stop them. It comes at weird times, at the drs or at the store. Mom I just want you back. I never felt this pain before ever. I love you mommma, Your daughter Debra Bell

Like Brittany said you were the heart of this family and I don't know what were going to do without our heart. You kept us together and made this family what it is. “ I'm so sorry to hear about Ms. Barbara. She will be missed. May you find confort in knowing that soon Jehovah God will bring back to life all our dead loved oned in his memory, so they can continue to enjoy time with their families and friends. John 5:28,29 & Psalms 37:29. This is a sure promise from God, because he never lies. So, we look forward to seeing her again. Your family is in our thoughts.

“ This house is so lonley without you.... Everytime I walk out my room, I look at the couch just hoping & praying this was all a horrible nightmare. & that you'd be laying there watching t.v. I'm gonna miss our late night talks about anything & everything. I'm gonna miss staying up with you just so we could watch the Goldengirls together. Most of all I just miss you.. its still so hard for me to believe.. but don't worry nanny, I'm takeing care of Biff & grandpa Dan for you.. btw, your not haveing a greatgrandaughter, she turned out to be a boy ! I'm sure you know tho, I know in my heart you are watching over me & my babyboy. I will make sure he knows who you are.. I just don't understand why you left me. I will question this the rest of my life. Everybody tells me I can't blame myself, but its hard knowing there could have been a possibilty I could have helped saved you... You were my bestfriend nanny. & always will be. You will forever be in my heart.. thanksgiving/christmas/newyears will never be the same without you. I feel like our family is falling apart. You were the heart of this family.. I love you so much nanny.... You may be gone, but you will NEVER be forgotten. ~love always, your first granddaughter. Brittany <3
