“ Mrs. Lilly was one of the most spectacular women that I knew growing up in Fort Pierce. Growing up with her children and spending endless hours at their home was a special part of my childhood memories. Barbara and Tom were those parents you could feel comfortable around, always welcoming and loved sharing their special sense of humor. I especially enjoyed spending every New Year’s Eve with The Lilly household and always had great conversation with Barbara. God bless you and may all the children be comforted knowing she has rejoined Tom and Cynthia to laugh and smile together, forever. Love you Lilly family and thank you for all the great times and memories.
