“ *Nancy Wickham - Daughter-in-law posted a condolence Barbara Wickham is my Mother-in-law of 35 years. She accepted me with open arms, no questions asked, except..Do you really Love my son Dennis? She supported and believed in him. That's how she was with her family. She trusted & supported us and our choices. If everything did not go well, she would be there with a loving hug or add a band-aid if necessary. Never-ever was there a "I told you so."* If I had searched the world over, I could not have chosen a more supportive, loving, kind, sweet, accepting and feisty lady as my mother-in-law. She is loved and will be missed more than words can express. I Love You, Nancy

“ *John and Barbara Niven - Brother-in-law and Sister-in law posted a condolence Barbara was a very special friend and sister-in-law. She had a tremendous love for her family, her extended family,and her church and friends. She also loved Jesus Christ, her Lord. She gave of herself unselfishly. I believe her happiest moments were cooking for all her children and their families. She will certainly be missed. Now her suffering is over.*
