“ I feel honored and blessed to have met sweet Betsy and have her as part of our small group. Despite her battle she was always a ray full of sunshine and so positive. She was very faithful and inspired all of us to be better people. Praying for her entire family. God's blessings upon all that had the pleasure of knowing this amazing lady.

“ Betsy was such a beautiful lady inside and out! She was an incredible model of being a Godly woman and her life showed it everyday! She loved Jesus and wanted everyone else to come to know this love. More than anything she wanted God to be Glorified and I love her so much for her amazing spirit! We love and miss you Betsy! Praise that you are in His presence, healed, and singing with the Angels on High! Thank you for being the woman I hope someday to be! We'll watch over your precious daughter Nicole and her family. Till we see you again.....Love from Ken and Terri Bucher
