“ Jackie Walker posted a condolence Dear Colleen and Family, Bob and Family and Michael,
Please accept my sincere condolences on the loss of your Mother. She was a wonderful person and a special friend. You know we met when all of you were just young. We shared an instant bond, and never had an argument. I used to tell her that was because we shared the same Birthday, except for a day. Birthdays won't be the same again, I will miss her so much, her giggling during our phone conversations, and her good advice. She was truly my best friend. It didn't matter how long we didn't get to see each other or what State we lived in, the connection was still the same. We had such fun when she moved to GA and came to live with me for a while. She was so proud of you all and your families, and loved you so much. My thoughts and prayers are with you. Please let me know if I can be of any help, and keep in touch.
Sincerely, Jackie Walker
