

Betty Calahorrano

October 27, 1941 - May 12, 2021

Betty Marlene Calahorrano was 79 years young when she passed on May 13th, 2021. She was born in Duran, Ecuador on October 27, 1941. Betty grew up with three sisters and one younger brother. She was the second oldest sister in the Bidal-Pinto family. Betty immigrated to the United States at a young age to create a better life for her family. Along with her husband David, Betty had six children, two of which died in Ecuador at a young age. She has four surviving children, from eldest to youngest, Luis Calahorrano, Jacqueline Nieves, Javier Calahorrano & Elizabeth Young. Betty was always described as a loving mother and a tender and selfless grandmother. Betty has nine surviving grandchildren, four grandsons and five granddaughters. Betty also has four great-grandchildren. Betty was always so positive during hard times. She was always smiling and laughing in anyones presence. She loved to crack jokes and spoil all her children and grandchildren with love. Betty had a sense of pure light and love and it radiated throughout the entire family especially when we celebrated events together. Her entire family, in the US and in Ecuador are heart broken that her light has been dimmed however, we all hope to one day see her again! She would've wanted us to dance and smile, so we will continue to celebrate her life in our everyday endeavors. We all love you and we will miss you until we meet again! Thank you to everyone for the support and love during this time!

“ *Ita was someone you could talk to about anything. Someone who was always there for you. Someone you could rely on. Someone who would make you laugh over the littlest thing. That boisterous laugh. That laugh that you will remember forever. She gave us so many wonderful memories that we will hold with us forever. Ita te extraño muchísimo. Te veo pronto mi amor, cuando Dios quiere.*

“ Words can't describe how good of a grandma Ita really was, she did everything for her kids and her grandkids. Anytime I needed something, she would drop what she was doing just to help me out. I love you Ita, we miss you.

“ My babies ita (grandma) , She was so loving and kind. She treated me as a son. She use to call me piaso (clown) I made her laugh all the time. My babies lost their ita physically, but God has his Angel back home. I know she will watch over them as she did the day they were born. We all love you

“ My beautiful mom was a person that gave it her all for her kids and grandkids. She was such a sweetheart even in her last few years she would tell me I'm so beautiful. She was my rock my best friend. I was so blessed and lucky to have her support through all my life and thank God for allowing her to be with my boys many years. She had so much patience and love. I love you mami and will miss you so so much. 🥺
