“ *Mr.&Mrs. J. Edelblute - friends posted a condolence Betty was a very kind lady and well Liked by our Father and Father inlaw and his wife Edith. Dad passed in 1996 but had a place in Pinenelas park for winter and he and Lester were friends with the Tremmels and other in the that location from Altoona. We contacted Betty when Dad passed and she helped us with information we needed at the time about his place in Florida. She moved into an apartment not long before that time after Lesters passing. We wanted to send the family our deepest condolences. she was a lovely woman. Prayers and comfort in knowing she was thought of by many people in a loving way through out her life.*
