“ Beverly was my best friends mom. Mom (Beverly) was a second mom to me. I met Dee about 35 years ago and “Mom” accepted me as one of her own (actually her entire family did). At one time, we all lived together along with Jason, Dee’s nephew. I will always remember her kindness towards me and everyone else she encountered. She would give you the shirt off her back...just like her daughter. I’m grateful and will dearly miss her words of advice. She helped me so much after our move to Texas. I wish I would’ve sought her out more. However, I always thought I had “time” and of course I didn’t.

I miss you! Hug your loved ones!
