“ *Bhanumami lived a life rich in memories and dutiful observance of GYAN, be it through scripture, bhajan or general discourse. Realizing the impermanence of our ever changing world, Bhanumami immersed herself in meditation and dharma, gathering a following of friends and family across four corners of the world. Hit inspiring conversation, clarity of thought and simple messaging has left a lasting impression on me. Whenever I hear a bhajan, her strong and melodious voice will float through the back of my mind. A cherished memory.*

Om shanti- om Shanti amna atma ne parmatma parm sadgati arpe.

“ We were blessed to have Bhanukaki and family as our neighbours in Mutare. She would always send us hot puri's or tasty mango athano and other delicious food she'd made. Her dedication to her family, the community and Hindu dharma are admirable as she has left behind more enlightened souls, and a void in our community only she could fill. Thank you for all the bhajan and Gita explanations, for all the food, for all the stories and support you gave us, and above all, thank you for being the best neighbour anyone could dream for. A true Ram bhakt, we pray that he guides your soul through its journey and that your family find comfort in knowing how grateful we all are to have known her. Om Shanti shanti shanti 🙏
