“ *Bland Cleesattle - sister-in-law posted a condolence Bill, your visits to see us meant more to Don and I than you will ever know. Finding time to visit even when you could not hunt anymore was even more special. We will miss you! Carol, I know these days have not been easy for you either. We hope you will still find time to come our way as we will welcome you with open arms. Nicole, thank you for always being there for your dad. You have been the perfect daughter and I know the times you rushed to be at Bill's side let him know how much he meant to you too. You are both in my thoughts and prayers.*
