“ My name is Eddie Hickman. I was just trying to locate Bill and found his obituary on line today. I served under Sgt. Langston in the 9th RTS at Beale AFB, California from 1967-1970. He was a great leader. Every time I applied for a job when I was young, If I could get the interviewer to look at the performance reports Bill wrote on me, I got the job! Life has been good to me, and Bill's influence greatly helped me to attain my goals. My God bless Bill, Jenny, and your family.

“ Ginny, boys and all Bill's family members: Our thoughts and prayers are with you. I will never forget how much help Bill was to me and my children when they lost their father. Ginny, thank you for letting him be there for us. Bill talked me into letting Neil get a scooter when he was 15 and that took a lot of persuasion. I recently wrote a letter to my grandchildren telling them about their father growing up and Bill played a prominent role in that history. He will never be forgotten. Karen Goldsmith and Jeff Hooie.
