“ *I remember Blakelie when I worked at the Sunshine House when she was 2 years old. I remember I would go into the classroom and say, "where's Blake Blake?" And she would run and give me a big hug! She was the most sweetest, smartest, energetic little girl I knew. It was hard not to fall in love with that beautiful little girl. Those blue eyes just lite up any room she went into. She will truly be missed. I'm praying for the Beck family. I can't began to imagine the pain you all are going through. My heart aches for y'all. “*I had Blakelie at the sunshine house and from the moment I meet her she had my heart. She was so full of love and happiness she was one of the happiest kids I've ever met. No matter how bad of a day you maybe having one smile from her and everything would be better. One of the best memories I have of her was when I hurt my leg and was sitting one the floor with the class I started to cry she came up to me wiped my face and told me "don't cry Ms. Katie its okay" then gave me a big hug and even big smile. My heart is with the Beck family in this devastating time. May God give y'all strength and comfort.*
