“ *My deepest condolences to the Smith family. It has been 20 years but I think of Brad often. Brad has an amazing family and I felt so heartbroken to hear this news today. I only wish I could have had one last conversation. We went through so many very trying times at such a young age and I always wondered where life led Brad from that time. I am so sorry to hear this terrible news.*

“ *Just like you always told me that I would have a special place in your heart, you will always have a special place in mine. Love you always ❤️ Your favorite song " It's gonna be a bright bright sun shinny day" will always bring back our great memories as you would crank up that song as loud as it could go with the biggest smile on your face. I'll see you again one day
Love Always Nikki*
