“ Dear Coleman Family,
I worked with Brenda at Citrus Surgical and enjoyed every day I spent with her in the facility. She was always filled with laughter and humor, always encouraging and took time to explain things when I first joined the center. We had a special joke together and whenever either of us would shout out this little saying, we would both roll with laughter while others would look on and shake their heads! Brenda always had a stash of chocolate, Motrin and Tylenol in her locker, all, of course, were considered medicinal products! I will never eat a Hersheys kiss again without thinking of her. I hope and pray to see her again one day. My prayers and humble thoughts are with you today as you say good-bye.
Kind regards,
Delayne Rulo

“ Brenda and I had such wonderful times together, working side by side. I will always remember her beautiful smile and her willingness to do whatever was necessary to get the job done. She loved being a Registered Nurse and so wanted to return to her job.
She loved you, her parents, and talked about you often. Please accept my sincere sympathy for your loss. I will never forget her.
With love from Anne McGee
