“ You were my baby sister to care for and my very best friend. All kinds of secrets we shared. Trouble for one would bring the other running to fix it and if we couldn't we would cry or laugh while holding each other. Oh how I will miss you, but I trust there will be moments of remembering the happy, joyful and even the funny things. I love you B. I will wait patiently until I am too called to that beautiful place meeting my Jesus. I love you much much ❤️

“ *My Aunt Brenda was truly a gentle spirit. Though she lived a quiet, unassuming life, it was so evident the love she had for her family. I will miss her laugh & her smile that was so big that her eyes would disappear. She was a wonderful cook & her Torte desserts were unmatched. I can't help but imagine what it must have been like for her as she passed from this world to her Heavenly home. And now she is in the very presence of Jesus...What a day that will be when we reunite with her. I love her & miss her presence already...*

DH

It was a beautiful thing for me finding out we are sisters. In so many ways in the short time we had together I have much to carry me through this sadness. Your love meant more than words can ever express. To all those grieving I lift up before our creator for comfort and peace. Until we meet again B... you are securely tucked within my heart.
