“ *Brian was our district manager at Stride Rite. I'll always remember his smiling face each time he visited our store. His sense of humor could keep any sales team alive, even during the great recession. He was always encouraging and kind. May he rest in peace.*

“ So sad to learn of Brian's passing. I am sure he would like to know that our son Seth, who he used to allow to play drums with him for a few moments after each Mass at St. Augustine, is playing percussion for the first time in the Seminole State Community Orchestra. (He is a trumpet player typically). Brian showed him how to correctly hold sticks and to find his rhythm. May he rest in peace.

“ We were sad to here of Brian's passing. We know he was in a lot of pain. We will miss his smiling face and his 25 year participation in our Faith Group. He always had a story to tell about his dear family. Brian is with his his Rhonda and in God's hands and we will never forget him.
