October 5, 1972 - November 8, 2025

Brian Wesley, 53, of St. Petersburg, Fl. passed away peacefully on November 8, 2025, at St.

Anthony's Hospital, after a courageous battle with cancer.

Wesley; his sister, Dawn; and his brother, Michael Wesley.

Brian lived life to the fullest and embraced every moment with joy and passion. He loved

“ Brain was not only an uncle but the jack of ALL trades and the man who did it all! I will forever cherish the holidays we had with him and my auntie dawn growing up. I will never forget his his love and compassion for my auntie dawn growing up, she was his golden prize and treated her as such. Watching you take that last breath is something I will never forget! I know now you're pain free and with a grandma. Watch over us Uncle Brian especially Auntie as we moron the loss of your presents.

“ *When Conrad and I moved to St Petersburg, Brian and Dawn were our very first friends here.*

To Brian, we were different, but it wasn't long before he saw and treated us like one of the family. He would call us late in the evening and ask if we wanted to order pizza or come over and have something he'd cooked up at home.

One of our fondest memories is being invited to join Brian and Dawn to visit a place we'd never been or knew about, Robert's Christmas Wonderland, and it's a place we now visit every year. Brian's outdoor decorations at Halloween and Christmas made us feel so happy our first year here, and each year after, we would wait to see what he would do and add.

Brian and Dawn were our safe friends during COVID when everyone was homebound.

We will miss Brian forever but have memories of fun and laughs that will last our lifetimes.

For Dawn and Heather, we will still be across the street and look forward to new memories we'll continue making. - David & Connie Foxx
