“*Brianna often visited the school's media center. She always brightened my day when she would walk in to talk with me. She was a hard working student assistant for us! Always kept herself busy. There is a place in my heart for this young woman that will always hold her memory.*

“*I was Brianna's high school English teacher. She always brought a smile and a positive attitude with her. After she moved on, I loved her visits to my classroom because I always felt a little ray of sunshine had come in. Although she was only with us a brief time, she will be missed by all who knew her.*

“*Brianna was one of my "special angels" and a ray of sunshine in my day. She always kept a positive attitude and never made excuses. I will miss her visits and her awesome smile. God blessed us with her for a brief time but she touched everyone she encountered. She will be missed by all who knew her.*

“*I was Brianna's high school biology teacher. She was a hard working young lady determined to rise above her health issues. She fully accepted what life had dealt and was always positive. She will surely be missed by everyone who knew her. She was a true inspiration to us all.*
