I was saddened to hear of Brock's passing. I didn't get to spend much time with him unfortunately. But on the occasions that I did, I noticed he had such a gentle, joyful presence and was so fun to be around. Keeping you all in my prayers during this time. Love, Jen W*

“ Hello Bowen family and friends. I want everyone to know what an inspiration Brock was to me over the years. I'm disabled with many health issues. When I would feel like giving up, I would think about Brock. I would say to myself, "if Brock can hang on another day....so can I". He was a true hero. Thank you Brock for teaching us how to live with courage. I look forward to seeing you in Heaven and speaking with you. George Wirshing
