“ Bruce my friend, we worked together for a couple of years and we became like brothers finishing each other’s sentences. All the people in our van knew that we backed each other up. I certainly do miss you and I am keeping your name alive in the van. I hope you find a Wing House and ice cream where you are! Test in peace my dear friend.

“ Bruce. Miss you buddy. You were always good for a laugh or two. Always enjoyed our sports chat. You should have been a professional gambler. Hope you have made it to the big Wing House in the sky. Ron Homan
